7 TO 10 YEAR OLDS

Catalina Beck is a busy nine-year-old fourth grade student at St. Apollinaris School whose father, Michael Beck, is a District 4 Bridge Maintenance Supervisor. Catalina speaks Spanish fluently, likes to run, dance, sing, and draw, and counts Unicorns among her very favorite things. Her interest in art, and her father's profession, inspired Catalina to enter the Caltrans Safety Poster contest because she wants, "... to help keep my Papa safe at work."
