

2023 Poster Contest Winner

14 TO 17 YEAR OLDS

Shoshoni Guinn is a talented sixteen-year-old tenth grade student at Yreka High School. She likes to explore, hike, and swim, and is very interested in motorcycles and sports cars. Art and drawing are also important to Shoshoni, so she was excited when her father Kenneth Guinn, who is a District 2, Equipment Operator II, told her about the Caltrans Safety Poster contest. Her winning entry features several classic Caltrans safety campaign slogans and even includes Caltrans' new safety cone mascot, "Safety Sam." "I love my Dad and want him to come home every night," Shoshoni says, and emphasizes, "I want everyone's loved ones to make it home safely."
